WAS  
IS  
HAS  
HAD  
SAID  
ALSO

a born the not also very so in an preceded

a the also currently not an survived very now in

been a also worked not the no an served had

a been to not no the never her an just

that she the it her they to i there he

has said had was is served serves loves worked noted

**not** a it so this the her have say an

be not also have never give always then make continue

**not** feel have see be hear never only tell do

she that the it her i he they nothing there

not have be like never also go make love say

**not** have a this it the so her look all

at up over down around like so back into to

not be also do make see take only help get

DID  
WILL  
COULD  
SAYS  
WOULD  
DOES  
LOOKED  
CAN  
MARRIED

john william james thomas george robert charles a joseph henry

THEN

went asked said moved told took proceeded turned goes began

TOLD

me him the us her them a of herself you

AND

her i the other a my husband others john he

DIED

on in at of after before 2 about a from

WENT

to on into back out immediately through over from down

TOOK

a the her it me my off his out him

KNEW

that she the what it he how her i this

ASKED

me if the for him that what her how about

GOT

a up the her what him to me out it

FELT

that the a his her like it as she so

JUST

wants wanted did had does got could has loves said

MADE

a her the me it no an sure him some

CAME

to back in out up from over into home and

GAVE

me a him the her us birth up it them

LOOKS

like at up so forward around down a great to

WANTED

to me a him the her it more us them

TURNED

to her and around back away the on out toward

RECEIVED

her a the an \$ no both many two several
